Re: Second Report and Order, Docket No. 93-252

Dear Gerry:

I want to thank you for taking time from your hectic schedule to talk with David Nelson and me about the cellular resellers' right to interconnect with the cellular carriers. We certainly enjoyed the opportunity to meet with you, and I hope you found the meeting informative.

Again, many thanks for your time.

Sincerely,

Re: Ex Parte Filing
Second Report and Order, Docket No. 93-252

Dear Mr. Caton:

The purpose of this letter is to advise the Commission of meetings which were held between David Nelson, Vice President of Cellular Service, Inc. ("CSI"), and the undersigned counsel to discuss the interconnection rights of cellular resellers with Ralph Haller, Chief of the Private Radio Bureau; Gerald P. Vaughan, Deputy Chief of the Private Radio Bureau; Rosalind K. Allen, Chief of the Private Radio Bureau's Rules Branch; A. Richard Metzger, Jr., Deputy Chief of the Common Carrier Bureau; and John Cimko, Jr., Chief of the Common Carrier Bureau's Mobile Services Division. The focus of the meetings was the Petition for Reconsideration filed by CSI to the Second Report and Order to the extent that that order failed to recognize the cellular resellers' right to interconnect with the cellular carriers' facilities.

At the meetings, Mr. Nelson distributed the attached document to describe the proposed cellular reseller interconnection.
